How to pay online with a credit card from a quote

1. Open the link to your quote.

2. In the bottom left-hand corner, click on the link next to “Pay online and start using your software straight away”.

3. Once you click on the link, it will take you to this page.
   - If you already have a established Red Gate ID, please enter your credentials and skip to step #5.
   - If you do not have an established Redgate ID, please click on the option, Don't have a Red Gate ID?.

4. Enter your email, create a password, and click “Register”. You will receive an email to verify your Red Gate ID shortly.
   - After you've verified your new Red Gate ID, please log in and proceed to step #5.

5. Once your credentials have been accepted, you will see this page that will allow you to begin the checkout process. It will ask you to confirm your account details. Please note that the information provided will appear on your invoice.
   - Once you’ve complete this step, please select the Confirm Order option.
How to pay online with a credit card from a quote

6 Once you are on the Checkout page, please look over your order and make sure it is correct. There will be a section that allows you to select who the serial numbers/invoice should be sent to. Once the order is confirmed and the information is correct, please select the Next – Pay option.

7 Enter your payment details for your credit card and select Make purchase.

8 You will see a confirmation page. The invoice confirmation and serial key(s) or maintenance renewal will be emailed to you shortly.

Thank you for your business!
