

Sometimes GPS directions are inaccurate. When coming from Jefferson Boulevard, turn north on Alla Road. The lot Microsoft is on is located directly opposite of the Home Depot on Alla Road.

All Microsoft visitors and employees must only park at Gate 1 on the left side at the end of Alla Rd.

When entering the main lot, through Gate 1 on the left at the end of Alla Road, please proceed and take a parking ticket. You may park in any available stall. However, if the parking stalls have been filled, you may need to park tandem behind the car in the stall, or park on the aisle.

All aisle and tandem parked vehicle owners **must** leave their keys with one of the parking attendants. You will be given another ticket by the attendant once you have provided your name and indicate you are visiting Microsoft so the keys may be returned to you at the end of the event. If keys are unclaimed by 4:30 p.m., the parking attendant will give your keys to the Microsoft receptionist.

Please remember to hold on to this ticket as it is required to obtain your key. There is no additional cost for the assisted attendant parking, nor do you have to tip the attendant.

There are two method of validations. 1st being blue validation ticket, where you will need both your original white parking ticket and blue ticket to exit. Or validation discount stamp, where your white parking ticket has been discount stamped.
